NAHU LEGISLATIVE UPDATE

Government Funding

- Continuing Resolution or Omnibus Bill prior to February 18th deadline
- NAHU could tack on COBRA Creditable Coverage and Reporting Issues

Build Back Better Act

- Manchin affirms that it's dead in the Senate
- Kept out lowering the age of Medicare and Public Option
- Still in: Lowering the affordability to 8.5% non-indexed
- Still in: Civil monetary penalties for MHPA
- If nothing new comes in, then it doesn't have to back to the House

Employer Exclusion on the Docket

- Capping or removing
- Tax provision that allows employees to reduce taxable income and employers reduce FICA

NAHU Region VI Monthly Leadership Call: March 11, 2022

Nedra Clingan, Texas: Disappointed in the Legislative Break-Out Session. There was great discussion, and it was cut short because of the "agenda topics."
